## **Story Telling • The Great Banquet • Feb. Yr. 2**

*Gather participants around the table they have just set for a banquet to tell the story.*

Our story today is from our Bible, (*show the Bible*), our book that tells the stories of God and God's people...of Jesus, (*show Jesus doll*), God's son... and of how much God loves us. (*place hands over heart*).

Today's story is from the second part of our Bible, (*show Bible and divide in half*). The second part of our Bible is called the New Testament. It has the stories of Jesus and the early church. (*show the Jesus doll again*)

Jesus taught his followers about God and how much God loved them and wanted to be part of their lives. Jesus sometimes taught by telling stories to explain what he wanted his friends to understand. Today's story is one of those stories.

Jesus told the story....

Once there was a man who was preparing a great banquet or party. He invited many guests. When he was ready (like we are now) he sent his servant to tell those guests that he and the banquet were ready and to come. But the guests all had excuses why they couldn't come. They all said they had things they had to do...one had just bought a field and needed to go and see it...another had just bought 5 oxen and wanted to work with them...still another said they had just gotten married and couldn't come. The servant told the master that no one was coming to the party. The master became very angry and ordered his servant to go out into the streets and bring in the poor, those who could not walk, the blind and the lame. The servant did as the master asked but there was still room so the master told his servant to go back out to the helpless and invite all to come so his house would be full.

Jesus told this story to let us all know that God loves everyone and invites everyone to join God in friendship and love. Jesus wanted everyone to know that they are always welcome in God's house and at God's table. And, that invitation is for you, (n.) (*point to each participant*) and you, (n.) and you, (n.) (*continue naming all*) and me. God welcomes us all.

Amen.

*(After an appropriate pause, the Storyteller goes on to explain the activities of the day).*
