

# Prayer of St Francis' (with actions)

St. Francis Prayer • St. Francis • Yr 2

Lord, make me an instrument of your peace,

*Hands folded in prayer looking up*

Where there is hatred, let me sow love;

*Elbows bent and crossing with fists, then arms open to hug*

Where there is injury, pardon;

*Point to eyes for tears then shake hand of neighbor*

Where there is doubt, faith;

*Finger to chin looking puzzled then arms open and raised*

Where there is despair, let me bring hope.

*Back of hand to forehead the arms open and raised*

Where there is darkness, light.

*Hands over eyes then arms open and raised*

Where there is sadness, let me bring joy.

*Point to eyes again the smile with arms open and raised*

Amen
